Decision of
September 29, 1980
Modified in Part
AA-8103-5

On September 29, 1980, a Decision to Issue Conveyance (DIC) was issued to Doyon, Limited, and published in the FEDERAL REGISTER (45 F.R. 64741-64742, September 30, 1980).

The DIC of September 29, 1980, included those water bodies determined to be navigable as recommended in the Alaska State Director (SD) BLM memorandum dated April 18, 1980, as amended by SD BLM memorandum dated August 29, 1980, concerning final easements and navigability determinations for certain lands in the vicinity of Anvik.

On May 3, 1983, a further amendment to the SD memorandum of April 18, 1980, was issued which contained an administrative redetermination of Paradise Creek, locally known as Lower Sandstrom Creek, in Sec. 36, T. 28 N., R. 80 W., Seward Meridian, Alaska. Paradise Creek is identified on the attached navigability map, the original of which will be found in easement case file AA-19630-5.

The DIC of September 29, 1980, approved for conveyance the surface and subsurface estates of the bed of Paradise Creek to Doyon, Limited. As Paradise Creek is now considered to be navigable, the submerged land beneath it is not public land and is not available for conveyance to the Native Corporation under the Alaska Native Claims Settlement Act of December 18, 1971 (43 CFR 2650.0-5(g)).

Therefore, the DIC of September 29, 1980, is hereby modified to exclude the submerged lands beneath Paradise Creek from the approval for conveyance to Doyon, Limited. Approximately 23 acres will not be charged toward the regional corporation's entitlement.

In accordance with Departmental regulation, 43 CFR 2650.7(d), notice of this decision is being published once in the FEDERAL REGISTER and once a week, for four (4) consecutive weeks, in the TUNDRA TIMES.

Except as modified by this decision, the decision of September 29, 1980, stands as written.

Alaska Native Claims Selection

On December 28, 1978, a Decision to Issue Conveyance (DIC) was issued to Dot Lake Native Corporation, for certain lands in the vicinity of Dot Lake, under the provisions of Sec. 12(a) of the Alaska Native Claims Settlement Act of December 18, 1971 (43 U.S.C. 1601, 1611 (1976)) (ANCSA), and published in the FEDERAL REGISTER (45 F.R. 849-852, January 3, 1980). The DIC reserved certain easements, including EIN 20 C4, EIN 9 L, and EIN 27 C5.

As a result of an Alaska Native Claims Appeal Board order, on January 28, 1983, an amendment to the October 10, 1979 State Director's memorandum made the following changes:

Easement EIN 20 C4 is now limited to government use only and reads:

(EIN 20 C4) An easement sixty (60) feet in width for an existing road from the Alaska Highway in Sec. 28, T. 22 N., R. 7 E., Copper River Meridian, southerly to U.S. Survey No. 4290 in Sec. 33, T. 22 N., R. 7 E., Copper River Meridian. The uses allowed are those listed above for a sixty (60) foot road easement and limited to government use only.

The following easements have been deleted:

(EIN 9 L) An easement for an existing access trail twenty-five (25) feet in width from road EIN 20 C4 in Sec. 33, T. 22 N., R. 7 E., Copper River Meridian, southerly to public lands.

(EIN 27 C5) A one (1) acre site easement in Sec. 33, T. 22 N., R. 7 E., Copper River Meridian, adjacent to road EIN 20 C4 and trail EIN 9 L.

Except as amended by this decision, the decision of December 28, 1979, stands as written.

F-14923-A, F-14923-B
Alaska Native Claims Selection

On November 12, 1974, Baan o yeel kon Corporation, for the Native village of Rampart, filed selection application F-14923-A and on December 4, 1974, filed selection application F-14923-B, as amended, under the provisions of Sec. 12 of the Alaska Native Claims Settlement Act of December 18, 1971 (43 U.S.C. 1601, 1611 (1976)) (ANCSA), for the surface estate of certain lands in the vicinity of Rampart.

In selection application F-14923-B, Baan o yeel kon Corporation excluded an unnamed lake in Secs. 34 and 35, T. 8 N., R. 15 W., Fairbanks Meridian, as being navigable. Because this lake has been determined to be nonnavigable, the submerged land beneath it is considered to be public land withdrawn under Sec. 11(a)(1), and available for selection by the village pursuant to Sec. 12(a) of ANCSA.

Section 12(a) of ANCSA and Departmental regulation 43 CFR 2651.4(b) and (c) provide that the village corporation shall select all available lands within the township or townships within which the village is located. The regulations also provide that the area selected will not be considered to be reasonably compact if it excludes other lands available for selection within its exterior boundaries.

For these reasons, the water body which was improperly excluded in Baan o yeel kon Corporation's application is considered selected.

As to the lands described below, the village selection applications, as amended, are properly filed and meet the requirements of Alaska Native Claims Settlement Act and of the regulations issued pursuant thereto. These lands do not include any lawful entry perfected under or being maintained in compliance with laws leading to acquisition of title.

In view of the foregoing, the surface estate of the following described lands, selected pursuant to Sec. 12(a) of ANCSA, aggregating approximately 85,428 acres, is considered proper for acquisition by Baan o yeel kon Corporation, and is hereby approved for conveyance pursuant to Sec. 14(a) of ANCSA.

Excluded from the above-described lands herein approved for conveyance are the submerged lands, up to the ordinary high water mark, beneath all water bodies determined by the Bureau of Land Management to be navigable because they have been or could be used in connection with travel, trade and commerce. Those water bodies are identified on the attached navigability maps, the original of which will be found in easement case file F-14923-EE.

All other water bodies not depicted as navigable on the attached maps within the lands to be conveyed were reviewed. Based on existing evidence, they were determined to be nonnavigable.

The lands excluded in the above description are not being approved for conveyance at this time and have been excluded because the lands are no longer under Federal jurisdiction, or the lands are under applications pending further adjudication. Lands within U.S. Surveys which are excluded are described separately in this decision if they are available for conveyance. These exclusions DO NOT constitute a rejection of the selection application, unless specifically so stated.

The conveyance issued for the surface estate of the lands described above shall contain the following reservations to the United States:
