AIA

Alaska's Heavy-Weight Champion

Alaska International Air is Alaska's largest all-cargo carrier, providing regularly scheduled service between Anchorage, Fairbanks, Prudhoe Bay, Barrow, Bethel, Kotzebue, Nome, Dillingham, McGrath, Pt. Hope, Galena, Aniak, St. Mary's, and Unalakleet. Our "Hercs" can transport anything from a one pound priority package to a 50,000 pound D7 Cat. AIA also charts worldwide — taking a full payload into airstrips as short as 4,000 feet in length. So if you have freight to move, call the airline that does nothing else.

Alaska International Air.

We're strong. We're fast. And we deliver.
