

Anaktuvuk Pass Snert Expert Misses Game and People

By JACK K. MORRY

To the people of Anaktuvuk Pass:

Good luck to you all.

As you all know that I've left for training at California. You all know that I loved Snert game but will continue without it for two years or so.

I'll miss you at all times especially at the card games. Hope to hear from you all while I'm gone.

Hope you've practiced in Snert so that you will be able to beat me if I ever get home.
