Last week at their Board of Director's meeting, Cook Inlet Native Association voted to endorse the concept of the Alaska Plan.

The Board also endorsed the stand of the Aleut League in their opposition to Senator Harris's Bill S-1315. C.I.N.A felt that S-1315 will interfere with the livelihood of the Aleuts.

Other business discussed involved investigating the possibility of an advisory panel made up of volunteer business and professional people from the Anchorage area.
