**NOTICE OF UTILITY TARIFF FILING**

The ALASKA PUBLIC UTILITIES COMMISSION hereby gives notice that GCI COMMUNICATION CORP. (GCICC), an interexchange telecommunications utility, has proposed a tariff revision (TA26-419) to revise its 1-800 Collect and 800 service rates.

GCICC's current tariff language provides the following description of 1-800-Collect service:

This service allows calls to be placed by dialing a [GCICC] Company provided access number which permits the caller to place a call with the assistance of an operator.

GCICC's current 1-800-Collect rate schedule includes special per minute rates and per call surcharges for operator-dialed collect and operator-dialed person-to-person collect calls. GCICC proposes to apply the rates in this rate schedule to two additional services: operator-dialed third party billed service and operator-dialed person-to-person third party billed service. GCICC also proposes to add the following service charges to operator-dialed third party billed calls and operator-dialed person-to-person third party billed collect calls.

Operator-Dialed Third Party Billed ..... \$1.55 per call

Operator-Dialed Person-to-Person

Third Party Billed ..... \$3.00 per call

GCICC proposed to remove 800 service Flat Discount Option and to reduce 800 rates; the discount option provided for a 10% discount from 800 service rates with a monthly recurring fee of \$2.00. GCICC states that the reduced rates will be an equivalent amount of the discount calling option. Examples of the proposed per minute charges for 800 service follow:

	CALL OF 34 MILES		CALL OF 275 MILES	
	Initial 1-Minute	Each Adtl. Minute	Initial 1-Minute	Each Adtl. Minute
Day	\$2700	\$1.053	\$4880	\$3.150
Evening	2203	.0842	.3888	.2527
Night/ Weekend	.1377	.0527	2430	.1580

GCICC proposes to remove three tariff provisions for promotions that have expired.

If the Commission finds that the rates proposed by GCICC are not just and reasonable, the Commission may approve a rate or classification which varies from those proposed.

Detailed information may be obtained from the utility whose address is 2550 Denali, Suite 1000, Anchorage, Alaska 99503-2781. The filing may be inspected at the offices of the Alaska Public Utilities Commission, 1016 West Sixth Avenue, Suite 400, Anchorage, Alaska 99501.

Any interested person may file a statement of views favoring or opposing this tariff filing with the Alaska Public Utilities Commission. If you are a person with a disability who may need a special accommodation, auxiliary aid, or service or alternative communication format in order to comment on the proposed tariff revision, please contact Pat Oldenburg at 283-2107 by 4:30 p.m., September 16, 1993, to make any necessary arrangements.

To assure Commission consideration of comments or petitions prior to a final decision on this matter, those comments or petitions must be filed by September 23, 1993. Any statement filed with the Commission should clearly affirm that the interested person has filed a true copy of the statement with GCICC.

While comments will be considered by the Commission in determining the appropriate action to be taken, those comments will not serve to make the person a party to the proceeding. Any person wishing to become a party must file a petition to intervene in accordance with 3 AAC 48.110 of the Alaska Administrative Code.

DATED at Anchorage, Alaska, this 2nd day of September, 1993.
