

PATTI HARTER, 801 Pioneer Rd., Fairbanks, returned Dec. 23 from a semester at sea aboard Chapman College's World Afloat for the fall 1974 semester. She is shown (right) with a fellow WCA student at the Acropolis in Athens, Greece. Commenting on her stay in Greece, Miss Harter said, "I had an excellent time in Greece. I could have spent one full day at the Acropolis just thinking of what went on: to think that the Parthenon was built 500 years before Christ was born with such precision!..."
