

Savings Bond Sales

“State of Alaska sales of Savings Bonds in December were \$1,034,250, and increase of 80.23% from December, 1973 sales of \$573,858,” according to State Chairman Fred D. Chei.

“Sales for the year of \$8,153,915 are \$1,355,715 ahead of 1973 yearly sales for an increase of 19.94%,” he added.

“National sales for December, 1974 showed a tremendous 110.97% increase over December, 1973. Yearly sales were \$7,168,149,000 versus \$6,270,000,000 a year ago for a net increase of \$898,149,000,” he concluded.
