The Color Center. . .

The place to go for full color copies and laser printing in Alaska

The Color Center is. . .

Three full color copiers/laser printers. A 35mm film and slide scanner, a 24 bit flat bed color scanner and a large format (36" wide) color printer.

Get connected to the TimeFrame Digital File Drop, from your office to ours. It couldn't be easier. Call for details.

Computer Services and Copying for the 21st Century
