NOTICE OF PROPOSED CHANGES IN REGULATIONS AND OF A PUBLIC MEETING COMMERCIAL FISHERIES ENTRY COMMISSION

Notice is given that the Alaska Commercial Fisheries Entry Commission, under the authority of AS 16.43.100 and .110(a) proposes to adopt, amend, renumber or repeal regulations in Title 20, Chapter 05 of the Alaska Administrative Code to implement and interpret AS 16.43.100 and .180, and AS 09.25.110 and .115 as follows:

1. 20 AAC 05.120 is proposed to be amended by adding a new paragraph to establish incidental catch requirements for demersal shelf rockfish in the Southeastern administrative area;

NOTICE OF UTILITY TARIFF FILING

The ALASKA PUBLIC UTILITIES COMMISSION gives notice that the ALASKA EXCHANGE CARRIERS ASSOCIATION (AECA) has filed a tariff revision (TA 18-999) proposing many revisions to Section 31 (Access Service - Rates and Charges) of its tariff.

AECA describes its filing as a restructuring of Section 13 and states that the restructured provisions enhance the tariff's usefulness and minimize confusion regarding the rates charged by individual local exchange utilities. According to AECA, with the exception of Section 13.5 (Labor Rates), there are no new rates for 1993 introduced in this filing.

In Section 13.5 AECA proposes basic time, overtime, and premium time labor rates for twenty-two local exchange utilities for the following categories of services: Additional Engineering; Additional Labor; and Additional Cooperative Acceptance Testing-Switched Access. In some cases the rates vary according to more specific types of service, e.g., installation and repair, standby, testing and maintenance with other telephone companies. AECA states that the proposed loaded labor rates are at the January 1, 1993, prevailing National Exchange Carriers Association rate for all local exchange utilities other than Anchorage Telephone Utility, Bristol Bay Telephone, and average schedule companies.

Some of the proposed labor rates for each half (1/2) hour or fraction thereof are shown below as examples.

	BASIC TIME	OVER-TIME	PREMIUM TIME	OVER-TIME	PREMIUM TIME
Arctic Slope Telephone Association Cooperative; Bush Tel; Copper Valley Telephone Cooperative; Cordova Telephone Cooperative; Fairbanks Municipal Utilities System; GTE Alaska; Interior Telephone Company; Ketchikan Public Utilities; Matanuska Telephone Association; Mudduk Telephone Company; Nushagak Telephone Cooperative; OTZ Telephone Cooperative; Telephone Utilities of Alaska; Telephone Utilities of the Northland; United Utilities, Yukon Telephone Company	\$20.43	\$30.85	\$40.87	\$28.93	\$38.57

Bettles Telephone; National Utilities; North Country Telephone Company; Summit Telephone Company	AVG	AVG	AVG	AVG	AVG

If after investigation the Commission finds a rate or classification different from that proposed by AECA is reasonable, the Commission may approve a rate or classification which varies from that proposed.

Detailed information may be obtained from AECA at 3380 C Street, Suite 201, Anchorage, Alaska 99503. The filing may be inspected at the offices of the Alaska Public Utilities Commission, 1016 West Sixth Avenue, Suite 400, Anchorage, Alaska 99501.

Any interested person may file with the Commission a statement of views favoring or opposing this tariff filing. If you are a person with a disability who may need a special accommodation to comment on the proposed tariff revisions, please contact Pat Oldenburg at 263-2107 by December 6, 1993, to make any necessary arrangements.

To assure Commission consideration of comments or petitions prior to a final decision on this matter, those comments or petitions must be filed by December 20, 1993. Any statement filed with the Commission should clearly affirm that the interested person has filed a true copy of the statement with AECA.

While comments will be considered by the Commission in determining the appropriate action to be taken, those comments will not serve to make the person a party to the proceeding. Any person wishing to become a party must file a petition to intervene in accordance with 3 AAC 48.110.

DATED at Anchorage, Alaska, this 19th day of November, 1993.
