

## Senior discount cards available

The senior citizens in Barrow or within the North Slope will be getting North Slope Borough senior citizens' official identification cards as soon as the films come in. The cards are to be used for discounts at Arctic Coast Trading Post.

The seniors will have to apply for discount coupons from the North Slope Borough Barrow Senior Citizens' Center at Matsutani Building.

There hasn't been anything new besides the ID cards and discount coupons. The seniors are looking forward to

going down to Public Safety to have their picture taken.
