THE ALASKAN AIRLINE WITH THE WORLDWIDE OUTLOOK

Alaska International Air grew up in Alaska. But even though we've now reached the point where our Hercules Airfreighters regularly visit virtually all points of the globe, Alaska's still our home. It always will be.

Take the easy way out

Your winter vacation can cost you an average of 15% less, if you take the easy way out - on your Alaska Marine Highway. Start your holiday in style, on our roomy, comfortable ferryliners. It's a perfect way to unwind, because your vacation gets underway when the ship does. You can relax and enjoy the comforts of ferry travel all the way to Seattle, take advantage of our unlimited no-charge stopovers in historic Alaskan towns and cities...or, debark at Prince Rupert and drive through luxuriant British Columbia countryside. From October 1st through March 31st, whether you choose to travel the Inside Passage round-trip, or fly one-way, you'll find our new off-season rates just as attractive as the spectacular scenery you'll see on your cruise. From Fairbanks, sail out and fly back for as little as \$274.93, including single berth. Price depends upon vessel and availability of berths. For more information, contact your travel agent or write the Marine Highway office.
