

# ***CEDC Gets \$2,964,000 Operating Fund***

WASHINGTON, D. C.—The Community Enterprise Development Corp. has received a grant of \$2,964,000 for its operation over the coming two years according to the office of Senator Ted Stevens.

“The rural areas will continue to benefit from CEDC’s leadership in cooperative ventures with the villages and through the important training and technical assistance which

accompanies these loans and grants,” Stevens said.

The grant is from the Office of Economic Opportunity.
