

## Subscription Rates Hiked

This week the price of a subscription to the Tundra Times goes up from \$8 to \$10 a year, and single copies will cost 25 instead of 15 cents.

The reason is an increase in the cost of postage and production. We're sorry about that.

you're  
not alone  
when you need  
a loan

When was the  
last time you wanted  
to borrow money  
from a bank?

Do you remember  
sitting there waiting  
for the big NO?

At National Bank of Alaska,  
we like to say YES,  
because we know what  
it's like to sit  
on the other side  
of the desk.

We believe that together  
we can do almost anything!
