

Senators Stevens and Gravel to Hold Sea Mammal Hearings

Senator Stevens has been authorized by the Senate Com-

merce Committee to hold hearings on the Ocean Mammal bills in Alaska for Alaska Natives to testify. Senator Gravel will accompany him.

On the afternoon of the 11th of May and the morning of the 12th, hearings will be held in Nome. Alaska's senior Senator has been authorized to continue the hearings in Bethel the afternoon and evening of the 12th.

The U.S. Senate will be in

session during this period, so it is not possible for hearings to be held in all the places where Alaska Natives wish to give testimony.

Because so many Alaska Natives will want to testify, appearance before the committee will be limited to 10 minutes. Written statements should be no more than two pages, and requests to appear should reach Senator Stevens' office of Senator Gravel's office before May 5th.

Bill St. Claire wrestles
with some pretty
unweighty problems.

Bill St. Claire doesn't wrestle anymore but he knows its value because from his early youth right up through college he wrestled competitively. Bill and the others in the Anchorage Kiwanis Club know the fun of competition among youth and believe it's valuable in the development of young minds and bodies.

That's why Bill and his fellow Kiwanians devote many of their weekends to programs such as their wrestling tournaments for kids.

During the week, Bill wrestles more weighty problems helping Atlantic Richfield's exploration and production in Alaska.
