

# New Stuyahok on Nushagak

December 2, 1966

Dear Editor:

We enjoyed our picture in the TUNDRA TIMES paper, but you made one mistake. Our village is not on the Kusko-kwim. It is on the Nushagak in Bristol Bay.

I'm glad your telling about the VISTA VOLUNTEERS on the paper. I think that having VISTA's on the villages is a good thing.

Yours truly,
