

# WHERE BARROW SPENDS THE NIGHT!

A recent survey shows that our Downtown Inlet Inn has become the home away from home to Barrow residents who visit Anchorage throughout the year. And there's a reason: Like all five Inlet Inns, it is convenient, courteous, comfortable, and *always* affordable. So the next time you're in Anchorage, whether it be for shopping, business, or just visiting, remember where your friends are staying—at the Downtown Inlet Inn!
