Now you don't have to order your investment coins by the bag. These hoards of dimes, quarters, and fifty cent pieces include some of America's most beautiful coin designs and such obsolete specimens as the lovely Walking Liberty Half Dollar and the Mercury Dime.

These historic coins are all genuine U.S. circulated coins and all are 90% pure silver. Each ten dollar face value contains over seven ounces of pure silver and will bear different dates and mintmarks.

Here is your opportunity to start a meaningful collection of genuine U.S. silver coins or purchase them as a wise investment. There are no taxes on gains from silver as long as you own it. What's more, if you sell after one year, you are not subject to the higher tax rate.

NOW is the time to purchase silver. Temporary low prices allow you to buy more for your money.

We have a limited supply of these silver coins. Orders will be filled, **THIS WEEK ONLY**, on a first-come, first-served basis as long as supply is available. We reserve the right to limit quantities on any order.
