

Energy Company of Alaska

An Earth Resources Company

P.O. Box 1070, Fairbanks

Why bother with a slow barge to Alaska?

(Because it'll probably cost a lot less, that's why!)

Like the tortoise we wouldn't try to get to Alaska in record time. We just try to offer the lowest competitive rates for shipping cars, boats, bikes, snowmachines, feeds, fertilizers, building materials, machinery,

canned goods, hardware, appliances, furniture, personal effects, or almost anything else where speed is secondary, and price is paramount. For schedule information, contact us.
