**Wien's Premium Bonus Account
Awards for frequent flyers can be
used on South Pacific Island Airways.**

Wien Air Alaska and South Pacific Island Airways have teamed up to put more mileage on your Premium Bonus Account and land you in sunny Honolulu for free.

Starting June 10, Wien's Premium Bonus Account free ticket awards are good on SPIA to Honolulu* or to any Wien destination. And you can use your other Wien Premium Bonus Travel Certificates to any SPIA destination, including Tahiti, Guam, Honolulu, Samoa, Tonga, Palau, and Papua New Guinea.* With Wien's Premium Bonus Account Frequent Flyer plan you now not only receive bonus mileage when you fly Wien but also when you fly South Pacific Island Airways to Honolulu.

Add all these extras to Wien's outstanding Frequent Flyer program features, and you'll see why more and more business and pleasure travelers are flying Wien.

- You fly only 2,000 miles before receiving your first award certificate.
- You can redeem all of your mileage awards individually, combine them on Wien flights for greater savings,* or even give them away.
- Use your discount awards and free tickets and keep building towards your next award level.
- When you reach 150,000 miles there's no going back to zero. Wien automatically gives you a 2,000-mile bonus which immediately qualifies you for a 10% discount on Wien or SPIA.

If you're not already a Wien Premium Bonus Account Frequent Flyer, we'll credit your account with 1,000 bonus miles when you enroll. Pick up your application today at any Wien or SPIA ticket location, from your local travel agent or call Wien Reservations toll free (800)562-5222, or call SPIA at 563-4644.

* Subject to conditions and changes without notice. Premium Bonus Account members may use discount award certificates and free tickets on Wien or on South Pacific Island Airways beginning June 10, 1984. Discount certificates are not combinable for use on South Pacific Island Airways flights but may be used to any SPIA destination. Free tickets may be used on Wien, or when traveling SPIA to Honolulu, or your free tickets may be used as a 50% discount to any other SPIA destination. See the Premium Bonus Account/SPIA rules and conditions flyer for complete conditions and information.
