Alaska Native Claims Selection

On September 3, 1974, Big Googs, Inc., for the Native village of Huala, filed selection application F-14868-A, and on December 13, 1974, filed selection application F-14868-B, as amended, under the provisions of Sec. 12 of the Alaska Native Claims Settlement Act of December 18, 1971 (43 U.S.C. 1601, 1611 (1976)) (ANCSA), as amended, for the surface estate of certain lands in the vicinity of Huala.

Big Googs, Inc., in its applications, excluded several bodies of water. Because certain of these water bodies have been determined to be nonnavigable, they are considered to be public lands withdrawn under Sec. 11(a)(1) and available for selection by the village pursuant to Sec. 12(a) of ANCSA.

Section 12(a) of ANCSA and Departmental regulation 43 CFR 2651.4(b) and (c) provide that the village corporation shall select all available lands within the township or townships within which the village is located. The regulations also provide that the area selected will not be considered to be reasonably compact if it excludes other lands available for selection within its exterior boundaries.

For these reasons, the water bodies which were improperly excluded in the applications of Big Googs, Inc., are considered selected.

On July 1, 1980, as authorized by Public Law 96-204, Section 30 (80 Stat. 1148), and in accordance with Title 10, Chapter 05, of the Alaska Business Corporation Act, the Native villages of Alakaket (Aale Kae Kae, Inc.), Alaina (Alaina Endevors, Inc.), Huala (Big Googs, Inc.), and Hughes (Hadondileeska, Incorporated) formed a new corporation which consolidated individual village interests into one single constituent corporation, K'oyit's'ina, Limited.

As to the lands described below, the applications, as amended, are properly filed and meet the requirements of the Alaska Native Claims Settlement Act, as amended, and of the regulations issued pursuant thereto. These lands do not include any lawful entry perfected under or being maintained in compliance with laws leading to acquisition of title.

In view of the foregoing, the surface estate of the following described lands, selected pursuant to Sec. 12(a) of ANCSA, as amended, aggregating approximately 105,965 acres, is considered proper for acquisition by K'oyit's'ina, Limited, and is hereby approved for conveyance pursuant to Sec. 14(a) of ANCSA.
