

I am once again running  
for a seat on the Doyon  
Board of Directors...\*

Doyon is an exciting  
corporation and I feel that  
I made a contribution to  
Doyon.

I feel that my experien-  
ces will allow me to con-  
tinue serving you share-  
holders.

Your vote and con-  
tinued support will be very  
much appreciated.

Thank You.

\*This was necessitated by  
my drawing a one year term.
