

Nenana has earliest Spring Carnival

The community of Nenana has the distinction of hosting the first Spring Carnival of the year, which will feature the popular Nenana Invitational Basketball Tournament, Sled Dog races in two classes, a community dance, and the annual shareholders' meeting of the Toghettele Corporation.

The Nenana Invitational Basketball Tournament, which has attracted top-ranked basketball teams from communities throughout Interior Alaska, will begin on Wednesday, February 27, and will last three days.

Sled Dog Races will be run throughout the following weekend, and more Spring Carnival events and a dance are scheduled for Saturday, March 1.

The Nenana Spring Carnival is the first such event to take place in any Alaskan community this year.
