

State Oil and Gas Leasing Program

The Division of Oil and Gas is currently soliciting comments from the public, state and federal municipalities regarding the following actions:

SALE 86 - WESTERN BEAUFORT SEA The division has issued a call for socioeconomic and environmental information and comments regarding this proposed oil and gas lease for sale. This sale contains approximately 700,000 acres of onshore, and tide and submerged land located in the Beaufort Sea between the Colville River Delta and Brownlow Pt. Comments are due December 15, 1995. The sale is scheduled for April 1997.

SALE 86A - COLVILLE RIVER EXEMPT The division proposes to add a new exempt oil and gas lease sale to the leasing schedule and has issued a call for socioeconomic and environmental information and comments regarding this proposed sale. This sale contains approximately 135,000 acres of onshore, and tide and submerged lands located between Harrison Bay and the east side of the Colville River Delta. Comments are due September 25, 1995. The sale is scheduled for August 1996.
