

VISTA Man Directs Work

Rep. John E. Fogarty (D-R.I.) this week called the attention of the House of Representatives to work being done by one of his constituents, Domenic Annotti of Providence, as a VISTA volunteer in Alaska.

Annotti is one of four Volunteers in Service to America working at Emmonak on the Yukon Delta.

The 27-year-old former marine is supervising completion of a \$100,000 cold storage plant.
