

New Aleut homes to be built

New senior housing for Unalaska and eight new homes for Akutan will be designed by ASCG, Inc. for the Aleutian Housing Authority

ASCG Inc., a subsidiary of Arctic Slope Regional Corporation, is an internationally recognized consulting firm that is nationally ranked in the top five-hundred architectural and engineering firms. The firm will provide professional design and tech-

nical services for development of a fifteen unit Low Rent Senior Center in Unalaska and eight 3-bedroom detached homes in the Village of Akutan, located on the Aleutian Chain.

ASCG has offices in Anchorage, Juneau, Barrow, Albuquerque, NM and Phoenix, AZ. The principal in charge of the project for ASCG, Inc. is Joe Caperton, AIA.
