

Golden Heart Camp Fire Girls Decorate Tree

The beautiful tree standing in Alaska State Bank this month was decorated by many of the 300 Camp Fire Girls in Golden Heart Council.

On Saturday afternoon, Dec. 21st, the bank expressed appreciation by hosting the girls to a festive party of refreshments, caroling and games.

The traditional party was highlighted this year with a "Festival of Giving" when each girl helped fill a big basket with canned fruit and juices for Hillcrest Home for Boys and the Hospitality House.
