FINALLY. AN 80CC BIKE WITH SOME GUTS.

Take the ST80. It has the guttiest 80cc engine on the market, yet it handles like a lightweight, safe and easy. How big is it? Big enough to fly up a 13,000 foot mountain with a 200-pounder aboard.

Jim Boudreaux brings Santa Claus to town.

It's not just that Jim put together the Anchorage Christmas Parade or the servicemen's Christmas Dinner Program, but as president of the Anchorage Jaycees he helped bring Santa to 100 children who were treated to a free holiday shopping spree. Kids are important to Jim, and Jaycee projects like the Junior Fish Derby, which brings area youngsters out to vie for fish in a specially-stocked lake, emphasize the things that are important to kids. As staff accountant for Atlantic Richfield, Jim deals in pretty high finance, but he's knowledgeable about other money matters, too, through work on Jaycee projects like a benefit nightclub performance for the retarded children's association, or raising funds for the Children's Zoo.
