

*There is no better time to say  
thank you for your business  
and to wish you a  
joyous holiday season  
and a happy New Year.*

# Five stars for safety

National Bank of Alaska received the top, five-star rating for safety from Bauer Financial Reports, Inc., a Florida-based bank rating agency.

The rating is based in part on bank capital, profits and the strength of their loan portfolio. Only about a third of all U.S. banks receive the five-star rating.
