Through the miracle of space age research — and laser technology — these man-made beauties capture the dazzling brilliance of real diamonds, while *guaranteeing you scratch resistance and exceptional hardness (they actually cut glass!)*. You've seen similar stones in many of the nation's smartest jewelry stores.

How can you become the proud owner of this exquisite 14K gold jewelry? Easy! Start with any of the following:

**Open a 1st Federal Savings Account for \$25 or more**

or

**Add \$25 or more to an existing 1st Federal Savings Account**

Upon doing one of the above, you'll receive a Starter Certificate worth \$6.00 absolutely free. At the same time, you have the privilege of buying an additional certificate for each \$25 you deposit. Thus you can accumulate as many certificates as you need as you make regular deposits to your savings account. 1st Federal Savings will also supply you with a pre-addressed, postage paid envelope and order blank so that you can order your jewelry.
