

# OEO Grants AFN, Inc., FNA, EOO

WASHINGTON, D.C. — Senator Mike Gravel learned of four grants from the Office of Economic Opportunity to State agencies and organizations.

A state agency assistance grant has been awarded to the Alaska State Economic Opportunity Office in Juneau for

\$100,000. This six-month grant will enable the Economic Opportunity Office to continue the services currently provided by its statewide programs.

The Alaska Federation of Natives, of Anchorage, has received a \$1,144,628 health ser-

vices grant that will enable continuation of the Federation's services currently provided by its programs.

The project this grant will fund serves Nome (the Norton Sound Region) and Bethel (the Yukon Kuskokwim River Delta Region).

Services currently provided by the Fairbanks Native Association will be continued for one month by a grant of \$16,161 from OEO.

Another grant to the Fairbanks Native Association, in the amount of \$20,000, will allow the Association to continue until May 1, 1974, services it currently provides to the Fairbanks North Star Borough.
