*Built so tough it carries
first full year warranty!*

So confident are we of the superior design and construction of the 1968 Polaris, that it carries the industry's first one year warranty. And note that this guarantee covers not just a few parts, but such important components as track, clutch, frame, steering assembly, electrical and brake systems. It's our way of pledging to you that a Polaris snowmobile will give top performance with a minimum of service year after year. Stop by soon.
