HX220S Horizon Hand-Phone 6

6 Watt VHF-FM Marine Radio

The 6 watt, full-featured marine handheld with power you can feel

- **6 Watts** transmit power, Standard's most powerful marine handheld ever.
- **160 channels** programmed for use worldwide—features all U.S., Canadian, and international marine VHF channels plus 10 weather channels; ensures constant marine communications wherever you go.
- **95 expansion channels**—ready for use upon FCC allocation, so your unit will never become obsolete.
- **Superior moisture protection** with full case and control panel gasketing assures reliability in the wettest environments.
- **User Programmable Scan** of any number or combination of channels.
- **Extra large LCD display** shows channels and operational information—backlit for night visibility.
- **Channel 16 instant access** allows you to react to emergency situations with the push of a button.
- **Ultracompact case** is light-weight, easy to carry.
- **Rechargeable** nickel cadmium battery pack with charger options.
- **Automatic power-down** 1 watt on FCC restricted channels.
- **One-year warranty** with lifetime flat-rate repair protection.

When is a marine radio not a marine radio? We can't tell you which ones aren't. But we can guarantee one that is.

PRESIDENT AND CHIEF EXECUTIVE OFFICER

The Alaska Commercial Company (A.C.C.) is currently conducting a search for a President and Chief Executive Officer.

Based in Anchorage, Alaska, A.C.C. is a diversified food and general merchandise retailer with 23 stores. These stores serve primarily rural Alaskan markets. It is a company with a proven track record and reputation in the marketplace. This position reports to the Board of Directors.

We require recent experience in a retail company, preferably in a supermarket environment. Candidates should have had significant bottom line decision-making authority, and possess hands-on retail experience in a multi-location environment. Extensive travel will be required.

We offer a competitive salary and benefit package. Please send resume to: William M. Reffett, Korn/Ferry International, 1201 Third Avenue, Suite 2120, Seattle, WA 98101.

An Equal Opportunity Employer

Material Management Summer Intern

ARCO Alaska, Inc. is looking for students pursuing a degree in Purchasing/Materials Management, Operations/Production Management or related business degree for Materials Management Summer Intern positions.

ARCO Alaska, Inc. is offering a three month summer professional intern program to students who have completed junior level requirements for the above majors. The intern program provides opportunities to learn about ARCO Alaska and the petroleum industry.

Employment is in the Materials, Purchasing & Contracts Department with time assigned to Materials Operations, Purchasing, Contracting or Planning, Forecasting and Statistical Management. Materials provides operational support, asset management and administrative support to oil and gas production, drilling and construction within Alaska including the two largest producing fields in North America (Prudhoe and Kuparuk.)

Send your resume to ARCO Alaska, Inc., Human Resources Dept., P.O. Box 100360, Anchorage, Ak 99510 ATTN: S.H. Nunnally.
