

19 Villages Surveyed—

Telephone Service for Bethel Area

BETHEL—A survey of 19 bush villages has just been completed as part of RCA's Ala-

scom's comprehensive plan to provide telephone service to 142 remote sites in the Lower Yukon-Kuskokwim Delta Region.

The firm plans to have phone service operational in its initial survey area some time this

winter.

In charge of the current survey are Robert W. Pierce, marketing sales manager; James W. Pate, marketing representative and installation engineer; and Pete West from the firm's Anchorage headquarters.
