Alaska Native Claims Selection

Gwitchyaaazhee Corporation, for the Native village of Fort Yukon, filed selection applications F-14857-A, as amended, on September 25, 1974, and F-14857-B on December 16, 1974, under the provisions of Sec. 12 of the Alaska Native Claims Settlement Act of December 18, 1971 (43 U.S.C. 1601, 1611 (1976)) (ANCSA), as amended; for the surface estate of certain lands in the vicinity of Fort Yukon.

Gwitchyaaazhee Corporation, in its applications, excluded several bodies of water. Because certain of those water bodies have been determined to be nonnavigable, they are considered to be public lands withdrawn under Sec. 11(a)(1) and available for selection by the village pursuant to Sec. 12(a) of ANCSA.

Section 12(a) and 43 CFR 26514(b) and (c) provide that the village corporation shall select all available lands within the township or townships within which the village is located. The regulations also provide that the area selected will not be considered to be reasonably compact if it excludes other lands available for selection within its exterior boundaries.

For these reasons, the water bodies which were improperly excluded in the applications of Gwitchyaaazhee Corporation are considered selected.

As to the lands described below, the applications are properly filed and meet the requirements of ANCSA and of the regulations issued pursuant thereto. These lands do not include any lawful entry perfected under or being maintained in compliance with laws leading to acquisition of title.

In view of the foregoing, the surface estate of the following described lands, selected pursuant to Sec. 12(a) of ANCSA, aggregating approximately 147,896 acres, is considered proper for acquisition by Gwitchyaaazhee Corporation, and is hereby approved for conveyance pursuant to Sec. 14(a) of ANCSA:
