

## LEARN MORE ABOUT ALASKA!

The Alaska Geographic Society offers the most comprehensive series of books on Alaska currently in print. Each year, the Society publishes four colorful new books, each full of information and photographs that focus on a particular subject or region. Since its founding in 1968, the Society has published more than 80 library-quality books, many with full-color, fold-out maps, covering Alaska's varied areas. For a free catalog or more information, contact:
