REQUEST FOR PROPOSALS STATE OF ALASKA

Department of Transportation and Public Facilities
Division of Design and Construction
Design Section
Northern Region

Project No: 63216
Project Title: South Cushman Improvements
Project No: 63213
Project Title: University Avenue Rehabilitation and Widening

The State of Alaska Department of Transportation and Public Facilities, Division of Design and Construction, Design Section (DOT & PF) intends to negotiate two agreements with two or more Engineering consultants for the purpose of obtaining professional level services for location study reports and environmental impact statements.

Professional support capability of respondent consultants must include professional registration in Alaska and a demonstrable expertise in the Civil Engineering Discipline with emphasis on location, environmental impact, and design of urban arterials.

Consultants will be selected according to standard departmental policy and procedures. Interviews may be conducted with top ranked consultants and an audit evaluation of consultant's business may be conducted prior to negotiations for an agreement.

DOT & PF hereby notifies all respondent consultants that it will affirmatively assure that for any agreement entered into pursuant to this request for proposals, Female and minority Disadvantaged Business Enterprises will be afforded full opportunity to submit proposals and will not be discriminated against on the grounds of race, color, national origin or sex in consideration for an agreement.

The estimated cost of each Agreement is \$100,000.00 to \$250,000.00.

The Department shall not be liable for any cost incurred by any consultant in response to this request for proposals or for any proposal development costs by any consultant to which an agreement is awarded. Work, and payment for work, will be authorized only upon issue of a Notice to Proceed by the DOT & PF Project Manager.

Any agreement resulting from this request for proposals is not valid until approved by the commissioner of DOT & PF or his designee.

Proposals must be addressed to:
Design Section
Attention: Richard A. Levine

Department of Transportation and Public Facilities
Division of Design and Construction
2301 Peger Road
Fairbanks, AK 99709

Proposals for Project No. 63213, University Avenue Rehabilitation and Widening must be received at 2301, Peger Road no later than 2:00 pm, Fairbanks Alaska time on July 16, 1986. Five (5) copies of the proposal are required.

Proposals for Project No. 63216, South Cushman Improvements must be received not later than 2:00 pm, Fairbanks Alaska time on July 2, 1986. Five (5) copies of the proposal are required.

Proposals must be submitted by respondent consultants using the DOT & PF request for proposal and proposal form, 25A270 DOT & PF 7/1/82, as prepared specifically for this project. Proposal forms may be obtained at no charge from Richard A. Levine, Room 309, 2301 Peger Road, Fairbanks, Alaska 99701, telephone number (907) 451-2279.

Questions concerning this request for proposals should be directed to Richard A. Levine, Project manager at (907) 451-2279.

The right is reserved by the Department to reject any and all proposals.

STATE OF ALASKA DEPARTMENT OF TRANSPORTATION AND PUBLIC FACILITIES MARINE FACILITIES ENGINEERING ALASKA MARINE HIGHWAY SYSTEM INVITATION FOR BIDS

Sealed bids in single copy for furnishing all labor, materials and equipment, and performing all work on project X70007, Skagway Dock Modifications, described herein, will be received until 2:00 p.m. prevailing time, July 3, 1986, on the second floor, Conference Room, Room 202, Island Center Building, Douglas, Alaska.

This project will consist principally of removal and replacement of the existing terminal barge to ship intermediate ramp and apron transfer structures. Existing timber ramp and portions of the existing electro-hydraulic intermediate ramp and apron power system are to be reused and combined with the new structural steel ramp and apron and a new treated timber platform to provide improved access to vessel car deck from the terminal barge. Supplemental "A" consists principally of removal of the existing fender system on the outboard dolphin at the Skagway Terminal and replacement with a new structural steel and timber fender system.

The Engineer's Estimate for Basic Bid plus Supplemental "A" is between \$100,000 and \$250,000

All Work Shall be completed by May 31, 1987.

The Department of Transportation and Public Facilities hereby notifies all bidders that it will affirmatively assure that in any contract entered into pursuant to this invitation, Disadvantaged Business Enterprises (DBE) and Women Business Enterprises (WBE) will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, national origin or sex in consideration for an award.

One set of plans, specifications and other bidding documents may be obtained at no charge by all who have a bona fide need for them for bidding purposes from Southeast Regional Contracts, P.O. Box 1467, Juneau, Alaska 99802. Phone Number (907) 364-4287.

Bidding documents are available for inspection at the office of the Regional Department of Transportation and Public Facilities offices in Anchorage, Fairbanks and Juneau; the Associated General Contractors Offices in Seattle, Anchorage, Fairbanks and Juneau.

All technical questions regarding design and construction of this project should be directed to the office of Gary Franzen, Project Engineer, Alaska Marine Highway System, Marine Facilities Engineering, phone number (907) 789-1827.

All Questions regarding bidding and award procedures should be directed to the office of Gene D. Craig, P.E., Regional Contracts Engineer, phone number (907) 364-4237.

REQUEST FOR PROPOSALS

The City of Wainwright is requesting proposals from accounting firms interested in helping the City prepare for, and in conducting, a single audit to meet both State and Federal standards. The City has an annual operating budget of ca. \$400,000 and is receiving monies from 10 grants totalling ca. \$1.2 million (\$272,000 for services, the balance for CIP).

Services should include: a pre-audit site visit to examine our current bookkeeping system and to inform our staff what needs to be done in preparation for the audit itself; audit services to include a) an entrance conference with key staff, b) the audit test, c) an exit conference to cover questioned costs, etc., d) a grace period to redress, e) a findings and determination letter, f) 30 days to correct before the final report.

Time schedule: Aug/Sept. - pre-audit site visit; Oct/Nov.-audit & correction period; Dec. 31st - Federal deadline for completed report.

Cost estimates should be broken down by visit. Time, travel costs & any other support costs should be broken out separately. Billings to be made in same format. Estimated costs should be indicated in "not to exceed" amounts. Background information should include the firm's experience with municipal governments, the specific qualifications of the person or persons who will be doing the work. The auditing should be done by a CPA. References in similar work.

3 copies of the proposal should be sent to Lucille Bodfish, City Clerk, City of Wainwright, Box 9, Wainwright, Ak. 99782. Questions should be addressed to the City Clerk above, or Jacob Kagak, Mayor. 763-2815. All proposals should be received by the City Office by July 2, 1986.

ARCHITECT:
James Dalton Clark, AIA
Architects & Planners
1011 East Tudor Road, Suite 290
Anchorage, Alaska 99503
Phone: (907) 562-2651

This project is subject to section 7(b) of the Indian Self Determination Act (Public Law 93-638). Therefore the following two distinct requirements shall apply to this contract:

1. To the maximum extent feasible, preference and opportunities for training and employment in connection with the administration of this contract shall be given to Indians;
2. Preference in the award of subcontracts in connection with the administration of this contract shall be given to Indian organizations and to Indian owned economic enterprises.

PREQUALIFICATION OF INDIAN FIRMS

Application for prequalification of Indian firms who will be considered for work in the above referenced project as described herein, will be accepted until 4:00 p.m. June 10, 1986, at the office of the Architect.

Those Indian firms interested in work as prime contractors should so state on the form and if prequalified, will be put on the Prequalified Preference List as a Prime Contractor.

Those Indian firms interested in subcontract work should so state on the form and if prequalified, their name will be put on a Prequalified Subcontractors List. The list will be made available to all firms listed on the Prequalified Preference List, and to all firms requesting bid packages at the time of the issuance of invitations for bids.

All Indian firms who are interested in either the prime contract or a subcontract on this project are hereby encouraged to apply for prequalification of their firm. Application forms for prequalification may be obtained from James Dalton Clark, AIA, Architects and Planners, 1011 E. Tudor Rd., Suite 290, Anchorage, Alaska 99503.

LOWER YUKON SCHOOL DISTRICT INVITATION FOR CONTRACTOR PREQUALIFICATION FROM INDIAN-OWNED FIRMS FOR CONSTRUCTION PROJECTS

The Lower Yukon School District is accepting Contractor Pre-qualification applications from Indian-owned Contractors and Subcontractors for providing construction services on school projects in Scammon Bay and Alakanuk.

The scope of work will include a code upgrade in Alakanuk and an addition to the Scammon Bay School. The bid period will occur during June, 1986.

The work involved is considered a set-aside for Indian-owned firms. Bona-fide Indian-owned Contractors responding to this solicitation shall be placed on a Pre-qualification Preference List.

Pre-qualification application must contain the certification that the firm is not less than a 51% Indian-owned and controlled economic enterprise, established or organized for the purpose of profit. In the instance of joint-ventures with Non-Indian owned firms, the Indian owned firm must own and control not less than 51% of the enterprise.

Contractor Pre-qualification applications will be received to the office of the Architect:

Alaska Native Architectural & Engineering Company
821 "N" Street, Suite 208
Anchorage, Alaska 99501
Phone: (907) 277-6249

until 4:00 p.m. May 30, 1986. Submit 2 copies in 8-1/2 x 11" format. Blank pre-qualification applications can be obtained from the Architect without charge. Pre-qualification applications will be express mailed upon receipt of a mailing fee of \$15.00.

UNITED STATES DEPARTMENT OF THE INTERIOR BUREAU OF LAND MANAGEMENT ALASKA

Notice for Publication
F-14930-A
Alaska Native Claims Selection

In accordance with Departmental regulation 43 CFR 2650.7(d), notice is hereby given that a decision to issue conveyance under the provisions of Sec. 14(a) of the Alaska Native Claims Settlement Act of December 18, 1971 (ANCSA), 43 U.S.C. 1601, 1613(a), will be issued to NANA Regional Corporation, Inc. for 0.39 acres. The lands involved are in the vicinity of Selawik, Alaska, located within U.S. Survey No. 4462, Tract A, Block 8, Lot 31.

A notice of the decision was published in the Federal Register on May 2, 1986. Any public easements to be reserved and third-party interests involved are identified in the decision. Copies of the decision may be obtained by contacting the Bureau of Land Management, Alaska State Office, 701 C Street, Box 13, Anchorage, Alaska 99513. ((907) 271-5960.)

Any party claiming a property interest which is adversely affected by the decision shall have until June 2, 1986, to file an appeal. However, parties receiving service by certified mail shall have 30 days from the date of receipt to file an appeal. Appeals must be filed in the Bureau of Land Management, Division of Conveyance Management (960), address identified above, where the requirements for filing an appeal can be obtained. Parties who do not file an appeal in accordance with the requirements of 43 CFR Part 4, Subpart E shall be deemed to have waived their rights.

INVITATION TO BID

PROJECT: INSTALLATION OF ATQASUK AIRPORT LIGHTING SYSTEM
OWNER: NORTH SLOPE BOROUGH, ALASKA
CONSTRUCTION: LCMF LIMITED
CONTRACT ENGINEER: 723 West Sixth Avenue, Anchorage, Alaska 99501
PHONE: (907) 274-1543

You are invited to bid on a General Construction Contract for airport lighting installation at Atkasuk, Alaska. The project includes the installation of the following: Medium intensity Threshold, Runway, and Taxiway lights; PAPI-2 system; Non-directional Beacon; lighted wind cone; rotating beacon; and related electrical equipment. All bids must be submitted in the form and manner described in the project Manual.

The North Slope Borough will accept sealed bids on the form provided in the project Manual until 1:30 p.m. local time on June 17, 1986 at the Department of Public Works, Office of the Director, Mr. Edward Itta, North Slope Borough Administration Building, P.O. Box 69, Barrow Alaska 99723, at which time and place all bids will be publicly opened and read aloud. Bids received after this time will not be accepted.

Drawings and Project Manual will be available at the office of the Engineer beginning June 2, 1986, for a non-refundable charge of \$75.00.

Bid security (bond) in an amount of not less than five percent (5%) of the total lump sum bid amount must be submitted with each bid.

One hundred percent (100%) Contract Bond (Performance and Payment) will be required for this project.

The successful bidder will be required to adhere to Title 36 State Department of Labor wage rates and to U.S. Department of Labor wage rates as determined by the Secretary of Labor.

The attention of bidders is directed to the President's Executive order 11246 of September 24, 1965, as amended by Executive Order No. 11375 effective October 13, 1968.

PREAWARD EQUAL OPPORTUNITY COMPLIANCE REVIEWS

Where the bid of the apparent low responsible bidder is in the amount of one million dollars or more, the bidder and his known first-tier subcontractors which will be awarded subcontracts of one million dollars or more will be subject to full, on-site preaward equal opportunity compliance reviews for the purpose of determining whether the bidder and his subcontractors are able to comply with the provisions of the Equal Opportunity Clause.

COMPLIANCE REPORTS

Within 30 days after award of this contract, the Contractor shall file an Equal Employment Opportunity Employer Information Report EEO-1 (Standard Form 100) if:

- (1) The Contractor is required to by law;
- (2) The Contractor is required to by E.O. 11246;
- (3) The Contractor has not submitted a Standard Form 100 within the 12 months preceding the date of award.

NOTICE TO PROSPECTIVE FEDERALLY ASSISTED CONSTRUCTION CONTRACTORS

(1) A Certification of Nonsegregated Facilities must be submitted prior to the award of a federally assisted construction contract exceeding \$10,000 which is not exempt from the provisions of the equal opportunity clause.

(2) Contractors receiving federally assisted construction contract awards exceeding \$10,000 which are not exempt from the provisions of the equal opportunity clause will be required to provide for the forwarding of the following notice to prospective subcontractors for supplies and construction contracts where the subcontracts exceed \$10,000 and are not ex-

empt from the provisions of the equal opportunity clause.

NOTE: The penalty for making false statements in offers is prescribed in 18 U.S.C. 1001.

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENTS FOR CERTIFICATION OF NONSEGREGATED FACILITIES

- (1) A Certification of Nonsegregated Facilities must be submitted prior to the award of a subcontract exceeding \$10,000 which is not exempt from the provisions of the equal opportunity clause.
- (2) Contractors receiving subcontract awards exceeding \$10,000 which are not exempt from the provisions of the equal opportunity clause will be required to provide for the forwarding of this notice to prospective subcontractors for supplies and construction contracts where the subcontracts exceed \$10,000 and are not exempt from the provisions of the equal opportunity clause.

NOTE: The penalty for making false statements in offers is prescribed in 18 U.S.C. 1001.

The North Slope Borough, in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d-4 and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, office of the Secretary, Part 21, Nondiscrimination in federally-assisted programs of the Department of transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

A pre-bid conference will be held at 2:00 p.m. local time in the office of LCMF LIMITED, at 723 W. 6th Avenue, Anchorage, Alaska, on June 9, 1986. Any Contractor wanting to bid on this project shall be required to attend this meeting. Only those Contractors whose representatives attend shall be eligible to bid on the project.

The North Slope Borough reserves the right to waive irregularities and to reject any or all bids.

Mr. Edward Itta, Director
Department of Public Works
North Slope Borough
Barrow, Alaska
