

## Election Central '90

*Election Central at the Egan Convention Center in Anchorage Tuesday night was a gathering place for political onlookers, candidates and news media. Above, Republican gubernatorial Jim Campbell listens to returns. Other photos, moving clockwise, include Democrat Ruby John of Cantwell, who will challenge incumbent Rep. Dick Shultz, R-Tok, in the General Election; Vern Hurlburt of Sleetmute, who lost in his bid for the Senate to Democrat Lyman Hoffman; and Democratic lieutenant governor candidate Willie Hensley, happy with his victory, which teams him with former Anchorage Mayor Tony Knowles.*
