

Fishery council meets in Seattle, Aug. 25-29

The North Pacific Fishery Management Council has scheduled a meeting of its Gulf of Alaska Groundfish Fishery Management Plan team for Aug. 25-29 in Seattle.

The meeting agenda will include the evaluation of Gulf groundfish resources as well as work on the final draft of Amendment 15.

The meeting is scheduled to be held in room 2079 of the Northwest & Alaska Fisheries Center, 7600 Sand Point Way, Seattle, Washington.
