

Know who your friends are...

Some candidates for Governor--including Wally Hickel, Arliss Sturgulewski, Joe Hayes and Bob Richards--are playing games with the claims act.

They have asked for your support.

They claim to be your friends.

Now, they're playing politics with your land and your future.

One candidate has stood with you, all along, when it really counted.

On subsistence

On the land.

And on your way of life.

In 1982, Bill Sheffield stood with you.

He fought then.

He's fighting now, to help you hold onto your land.
