Solicitation for Expressions of interest to provide Testing and Inspection Services

The Division of Standards and Technical Services intends to negotiate a three year Agreement to provide inspection, testing and sampling of materials produced and/or fabricated in the continental (contiguous 48) United States for construction of highway, airport, port and harbor facilities, and buildings.

Firms must have direct access to and be familiar with the reference standards listed in the Construction Specifications Institute, Master Guide Specification Series, Section 01090 and have employees who are qualified NDT Level II and NDT Level III inspectors. Laboratories must meet the "Recommended Requirements for Laboratory Qualifications" published by the American Council of Independent Laboratories.

Expressions of Interest must be submitted on the Division's Questionnaire for the proposed Agreement, which may be obtained from Jerry Hamel, Contracts Coordinator, Division of Standards and Technical Services, DOT/PF, Pouch 6900, Anchorage, Alaska 99502-0900, telephone (907) 266-1589. Completed Expression of Interest Questionnaires must be received or postmarked prior to January 8, 1982.
