

# Meals to be made available to enrolled children

Rural Alaska Community Action Program Inc. is participating in the USDA Child Care Food Program, and meals will be made available to enrolled children at no separate charge without regard to race, color, handicap, age, sex or national origin.

If any member of a household believes they have been discriminated against, they should write immediately to the Secretary of Agriculture, Washington, D.C. 20250.

Parents' income determines the amount of money USDA will reim-

burse to provide meals to enrolled children. For example, a family of four with a monthly income of \$1,490 or less can obtain free meals for children. Reduced meals are available if the income for a family of four is \$2,120 or less.
