DESIGN AND CONSTRUCTION

Sealed bids in single copy for furnishing all labor, materials and equipment, and performing all work on Project A-81201 Delta-Nistler Road Extension described herein, will be received until 2:00 p.m. prevailing time, October 28, 1982, in the Office of the Chief of Claims/Bids, 6860 Glacier Highway, Juneau, Alaska.

This project will consist of Grading and Drainage of 6.06 miles of roadway.

Principal items of work consist of the following: All Required Construction Surveying by the Contractor; 186,000 Cubic Yards of Unclassified Excavation; 216,000 tons of Borrow, Type "A"; and 43,000 tons of Subbase Grading "C."

All work shall be completed in 180 calendar days.

The following provisions are made a part of all advertisements for State construction contracts:

"Bidders must submit certifications whether or not they intend to subcontract a portion of the work and, if so, that they have taken affirmative action to seek out and consider minority business enterprises as potential subcontractors. Each bidder intending to sublet part of the contract work shall make contact with potential minority business enterprises subcontractors to affirmatively solicit their interest, capability, and prices, and shall document the results of such contacts. A bidder's failure to submit this certification or submission of a false certification shall disqualify the bid for award."

Certification Form 25A327 shall be submitted before award.

Plans and specifications may be obtained by all who have a bona fide need for them for bidding purposes from the Chief of Technical Services, 2301 Peger Road, Fairbanks, Alaska 99701, telephone no. (907) 452-1911 Ext. 293. Plans may be examined at the Regional Department of Transportation and Public Facilities offices in Anchorage, Fairbanks, Juneau, and the Associated General Contractors offices in Fairbanks, Anchorage, Juneau, and Seattle.
