No more cold smelly toilet
No Chemicals No Septic Tank No Sewer

BIOLET
THE BIOLOGICAL TOILET

The new BIOLET is completely odorless and non-polluting. It uses no water, chemicals or septic system — and it needs only a 110 volt electrical outlet for operation. The BIOLET is ideal for mountain homes, lake homes, cabins, warehouses and even small businesses. The BIOLET'S 28" x 40" shell is made of tough polyethylene which will hold its beautiful appearance for years. Includes a full one year warranty. Capacity: 4 adults year-around use; 5-8 persons for cabin or part-time use; up to 12 persons for one 8 hour shift.

We are offering this at the discount price of \$1090 at your Spenard Builders Supply store or at Aquazyme of Alaska. The list price is \$1125 plus freight from the factory in Nebraska. So you save about \$100.

**ACCESS
ANNIE**

Dear Annie,

I UNDERSTAND THAT IN NOVEMBER WE VOTE ON A TOTAL DOLLAR FIGURE THAT WILL BE ON THE BALLOT IN ORDER TO HAVE AN ACCESSIBLE CAPITAL AT WILLOW. IS THIS THE AMOUNT THAT WILL BE SPENT?

I doubt it. The figure is the maximum that may be spent in Willow; however, if we leave the capital in Juneau, there is NO LIMIT on how much will be spent in Juneau for new state buildings.

According to a news report Sen. Bill Ray says Juneau already has the site picked out for a new state capital in Juneau.
