LARRY CARR

For GOVERNOR

Last Saturday, Anchorage Businessman Larry Carr Announced His Candidacy For Governor. In His Announcement, Larry Carr Said:

"Today I am announcing my candidacy for Governor. I have spent all of my adult life in Alaska. My family and business are here and, like most of you, I care a great deal about Alaska and am concerned about its future.

"I am a businessman, and the most important business in Alaska today is the operation of the state government.

"Because of our tremendous oil discoveries, Alaska has the unique opportunity to develop a quality of life unparalleled in America.

"More responsibility is vested in the Governor of Alaska than in any other Governor in the nation. A good Governor can do great things for Alaska, a poor Governor can destroy the state. Alaska needs efficient, honest, business-like leadership and with your help, that's what I hope to bring to the office of Governor."
