

Governor Proclaims March 16 as Boys' Club Week in the State

JUNEAU—Governor Keith H. Miller has proclaimed the week of March 16 as Boys' Club Week in Alaska.

The Boys' Clubs of America was chartered by Congress to promote the social, educational, vocational, health and character development of boys.

In 1969 the Boys' Club of Alaska, Inc., affiliated with the national organization. At the

present time, there is a chapter of the Club in Anchorage.

Governor Miller's proclamation recognizes the need for the program of the Boys' Club of America in other communities in Alaska.

He commends the organization as "one of the best means to prepare our boys of Alaska's second century to realize the promise of the first."
