

## HOW DO YOU FEEL WHEN . . .

Someone opens a letter to  
you marked PERSONAL &  
CONFIDENTIAL . . .

The mailman reads your  
postcards then gives them to  
you . . .

A neighbor on your party  
line interrupts you, to add  
something to your phone  
conversation . . .

When a major political party  
taps the phones of another  
political party to monitor  
the private comments of their  
opponents . . .?

## HOW DO YOU FEEL ABOUT AMERICA?

**NO STRINGS,  
NO HIDDEN  
WIRES,  
JUST A  
GOOD MAN  
TO  
TALK  
TO  
GEORGE  
McGOVERN**
