

EMMITT PETERS

Mention Emmitt Peters among dog sled racers and you'll discover he's nearly a living legend. Emmitt is an extension of an ancient tradition that demands excellence and innovation. Alaska Commercial Company is proud to have sponsored Emmitt in this year's Kuskokwim 300 (where he placed 4th) and in the upcoming Iditarod Sled Dog Race. After all, we've been around a while ourselves and we can appreciate his style. At AC, traditions are also borne out of facing day-to-day challenges in a spirit of excellence.

Good luck, Emmitt.
