

Four villages say thank you for presents

To the editor:

Every year the Salvation Army in Anchorage sends Christmas toys to the villages of Grayling, Anvik, Shageluk and Holy Cross. Every little boy and girl looks forward to that very special day when they receive these gifts from Santa. They make a lot of boys and girls very happy on Christmas Day!

On behalf of the four villages, I would like to thank the Salvation Army for sending these toys to our villages. We greatly appreciate it! Also, thanks for taking the time to wrap and mark the gifts with the appropriate age and whether it goes to a boy or girl. This saves us a lot of time!

I would also like to take this time to say thank you to the Bethel National Guard for transporting these gifts to our villages on such short notice! It is greatly appreciated for their time involved.

Thank you again to the Salvation Army and Bethel National Guard!

On behalf of the four villages of Anvik, Grayling, Shageluk and Holy Cross,

Sincerely,
Tanana Chiefs Conference
