

CORRECTION

Dr. Helen A. Shenitz writes us that in our June 17th issue a line was left out in one of the paragraphs of her series on the Pribilovians.

In the second column, first paragraph, the last sentence should read: "And the director of Pribilof Islands, who represents the federal government, and who insists that Pribilovians are 'wards' of the government, has not uttered a word in defense of his 'wards'."
