PACIFIC ALASKA LINE

Full Service to Western Alaska

Many thanks for all the support
we have received in 1990.
We look forward to serving you in 1991.

*Seasons
Greetings*

*and
Happy
New Year*

The world's first compact optical disk
filing system is here.

The Canofile 250 lets you replace all your
cumbersome paper files with an optical
disk filing system so compact, it fits on
a desk. Each small disk* stores
thousands of documents, and
information scanning,
cross-referencing and
printing is fast and easy.
You'll wonder how you
ever got along without it.

*Magneto optical disk sold separately
